Hello!

Thank you for your interest in WILS Bucket List Club bus trips. We're so glad that you want to join! WILS is one of Missouri's 22 Centers for Independent Living (CIL) and we have served individuals with disabilities in Benton, Henry, Johnson, Lafayette, Pettis, and Saline Counties since 1997. As a non-profit resource center, we offer programs like WILS Bucket List Club bus trips that encourage active participation, adventure, and learning.

As a participant of WILS Bucket List Club, you will have opportunities to:

- Engage in your community - Advocacy
- Try new things - IL Skills
- Discover new places - I&R
- Meet new people - Peer
- Learn about resources - Transitions

There are many additional ways you can connect with WILS such as volunteer groups, speaking engagements, benefits checks, and Medicare options counseling. Home and Community Based Services are important to us because we believe that you should have a choice in where and how you live. WILS would love to be a part of your resource network!

If your organization, club, or business would like to utilize WILS transportation services or any other WILS program for your group, please email [info@w-ils.org](mailto:info@w-ils.org). We would be happy to walk you through the process and welcome you in as a part of the WILS family!

To learn more about WILS programs and services, visit [w-ils.org](http://w-ils.org). If you have any other questions or concerns, please call our office at 855-945-7929 Monday through Friday, 8am - 5pm and any WILS staff member would be happy to help.
