

704 Events, Outreach, Community Education and Advocacy Activity Services:

The community activities involving WILS staff and board members during the year must be added to the database. These activities are compiled and reported on the annual 704 (program performance) report. The following “Activities” are defined by the 704 and cannot be changed by the organization.

- **Community/Systems Advocacy** – includes efforts to implement local and state policy changes to make facilities, services, and opportunities available and accessible to individuals with disabilities.
- **Outreach Efforts** - entails the location of, and encouragement to use services for unserved/underserved populations, including minority groups and urban and rural populations.
- **Community Education & Public Information** – activities and information programs to enhance the community’s awareness of disabilities and disability issues, e.g., local TV, radio, or newspaper campaigns. This type of services may include the creation and distribution of publications (such as accessibility guides, disability awareness brochures, ADA information) and databases/directories for personal assistants, recreation opportunities, accessible transportation, accessible housing, and other available services.
- **Collaboration/Networking** – activities related to building coalitions or collaborative partnerships designed to expand the participation of individuals with significant disabilities in services, programs, activities, resources and facilities.
- **Technical Assistance** – assistance to the community on making services, programs, activities, resources, and facilities in society accessible to individuals with significant disabilities.
- **Maintaining Registries/Libraries/Databases** – Not listed in the 704, not sure this is being used
- **Training** – Not listed in the 704, not sure this is or should be used
- **Other Services** – No description given in the 704, not sure this is being used
