## What is WILS?

WILS is a nonprofit Center for Independent Living that provides advocacy, resources, and support services for seniors and people with disabilities in west-central Missouri.

## What can I expect?

At the Get Connected with WILS Digital Confidence Workshop, participants will gain hands-on experience with essential everyday technology. Skills include setting up and using email, navigating basic computer functions, and recording and managing voicemail on phones. Whether you're just getting started or need a refresher, this workshop is designed to build confidence and independence in a supportive, easy-to-follow environment.

612 N. Ridgeview Dr. Warrensburg, MO
